Become a Road Runner Youth Track Club Booster Patron!

Please support our youth track club in ways that public funds do not, by becoming a Track Patron. In exchange for your tax-deductible donation, your name will be published on our team website and in the team newsletter. The Patron Program is a critical source of funds for the youth team to assist with registration, uniforms, transportation and lodging expenses for traveling out of town to all of our track meets. We will be competing numerous times in Atlanta, GA , Kissimmee, FL and our ultimate goal being Jacksonville, FL (University of North Florida) this season. Your donations will help make progress towards these specific needs:
